## MAY ACTIVITIES WITH HEADLINES

### 5 MAY 2022 PROJECT TEAM MEETING

The project team had a meeting in order to present the project activities to the General Secretariat of INTES and to determine the activities that will be completed during the month of May.

### 6 MAY 2022 SHARING SURVEY WITH THE PROVINCIAL DIRECTORATES OF NATIONAL EDUCATION

The project team expressed opinions on how to prepare the education programs that will be provided to the Leader Construction Teachers and they prepared draft reports thanks to their knowledge and experiences. In order to improve these studies, it was decided to apply survey study to the teachers that are experienced in educating.

Our experts prepared a survey that is composed of result-oriented fourteen questions on the professions of gypsum board operator, scaffolding personnel, construction painter.

The survey that will be used to determine the education programs for the construction teachers of MoNE was submitted for approval to the Provincial Directorates of National Education of Ankara, İstanbul, İzmir through official letters.

After the positive feedbacks from the Provincial Directorates of National Education of Ankara and İzmir, the Project Coordinator Görkem Deniz Ökbay and Sectoral Competence Development Center Manager Ömer Kaan Şimit conducted surveys in Ankara as the first step. The surveys in İzmir will be conducted by the representatives of INTES Vocational Competence Centre of Turkey in İzmir. The approval is being waited to conduct surveys in İstanbul.

This project is co-financed by the European Union  
and the Republic of Turkey

## **7 MAY 2022 DETERMINING TRAINING NEEDS ANALYSES**

One of the most important outputs of Leader Construction Teachers Project would be the determination of training needs analyses for three professions. In this regard, in order to reach the outcomes that had been targeted, a meeting was held to determine the method in INTES Sectoral Competence Development Center on 7 May 2022 with the construction teachers that had been assigned for the project.

## **9 MAY 2022 PRE-INTERVIEWS WITH THE PRODUCING COMPANIES**

A meeting was held with LAYHER scaffold producing company towards the profession of scaffolding personnel that was included in on-the-job trainings for the construction teachers within the scope of the Project.

In the meeting, the topics of varieties of scaffold, cooperation protocol for education, preparation of education material were discussed with the authorities.
